### TOURNAMENT OVERVIEW - DETAILS FURTHER DOWN

Arena (win games to climb up the ladder).

Time control: 10 mins + 2 sec increment.

Players are grouped into Clubs and will only play against players from other clubs.

Each Club is automatically divided into 3 Teams - One Team per Division A, B and C.

A player's score is based on their level on the ladder.

A Team's score is based on its top 4 players' scores.

A Team can have any number of players, but a minimum of 4 is ideal.

All players (Primary & High School) from all divisions play in one pool, and are positioned on one ladder.

### **TOURNAMENT DETAILS – CLUBS and TEAMS**

Players register for a Club, or as an Individual.

Organisers will try their best to group Individual Players into Clubs.

Small Clubs might also be grouped together.

Each Club will be divided into 3 Teams for each division: A, B, C.

Each player will be assigned to a division within their club based on their playing strength (Assignment may only happen after the first hour or so).

This means a Club's A or B team may have less than 4 players. Lower division players can be promoted up a division to contribute to the higher team's score. Note that everyone will still play opponents of a similar level automatically, no matter their division. Divisions are only for calculating scores.

### **TOURNAMENT DETAILS – ARENA LADDER**

Arena format - all players in the same pool.

Players will be given their next game as soon as a valid opponent is available.

Once the system has settled, players will play against opponents of a similar rank.

Players can pause between games to take short breaks.

**\*\* The Organising party reserves the right to change the format, depending on the number and nature of the registrations by the closing date, November 16.**

### **TOURNAMENT DETAILS - SCORING**

Player's score is their level on the ladder.

Team's score is the top 4 player's scores added together.

If there is a tie – then the top 5 player's scores, and so on (tip: bring extra players).

### **TOURNAMENT DETAILS - RULES**

FIDE rules apply. Touch-move, touch-take.

Illegal moves can result in a 1 minute penalty (arbiter's discretion).

### **PRIZES FOR EACH DIVISION**

A Perpetual trophy and a Book prize for the winning Team

Medals for each of the players of the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> teams.
