

PS/ A note on ratings and CAWA membership

- The ratings shown below are generally the latest ACF ratings. A FIDE rating or an estimate (in red) may be used if an ACF rating is not known.
- The ratings that will be used for rating prizes will be the December 2021 ACF ratings. For this reason, no rating group tables are being published yet.
- Only CAWA members are eligible for GP points. The below tables are based on all entries and are subject to revision when CAWA membership is audited and points are adjusted.
